3. You may cancel your project with us any time.
4. All crowdfunding funds will be subjected to verification of both the Author and the Backer so as to ensure the compliance of the Terms of Service policy. In case of any violation, we may reject that fund.
5. If you are unable to complete your project for whatever reason, we will return the remaining funds to your Backers on your behalf.

### **Rules about Pre-ordering:**

However, that does not give you any form of right, control or ownership of that work. Such rights are only retained by the Author and whosoever the Author chooses to share these rights. By 'Pre-ordering' a book you are only acting as a contributor/backer to the project.
2. At the time of Pre-ordering, you will have to disclose your full payment information.
